"The Club"

April – 2010

The April two-day Buddy Tournament had every type of weather that Texas had to deliver. If you pre-fished on Friday, it was cloudy with a little wind and lots of sunshine. Saturday started off with good weather and we had a good weigh in. The Saturday evening steak with all the trimmings sure was tasty. (Thanks Fritz!!) . On Sunday, the weather decided to turn in to rain and wind due to the cold front that moved in overnight .Everyone stayed in raingear all day and the weather made the fishing hard. A few members left early and a few took the day with a grain of salt.

I can now be added to the list of members that have fallen into the lake and as a result, I have an upper Humors broken arm. However, I will continue to fish.

The North Texas Bass Challenge is the 8th of May. A few minutes before or after the regular meeting, we need to discuss the plan of attack.

Since we adopted the cleanup responsibility at Stewart's Park, we need to pick a date for the cleanup and for painting the boat dock.

T-Shirt update: The larger sizes will be done this week. Please attend the upcoming meeting to pick up your shirt.

By Laws for Minnows:

Each brother or sister that is a family member will be allowed to vote on all matters. You must experience over 17 Christmas Holidays in order to vote. Any talking before all family members for a vote shall be done when you're there. Voting for Elder of the Family shall be in writing. Otherwise, it will be by a "yea" or a "nay" or using that body part you eat with.
