

July 6, 2011

Finance committee meeting

Meeting started at 8:08pm

Mike Rice informed us that in some of the other tournaments that he has fished the entry fee ranged from about 150.00 per boat.

160.00 per boat entry fee.

Break down:

10.00 per boat to Squaw Creek

10.00 per boat to Big Bass

10.00 per boat to The Colony Bass Club

50.00 per boat to Boy Scout Troop 285

The rest will go to pay out for placements.

The number of placement paid will be determined by the number of boat to enter into the tournament.

Club members CAN fish in the tournament as long as their duties have been completed and they have paid the entry fee.

Insurance – This will only be obtained if required by Squaw Creek or the power plant.

Everyone fishing in the tournament must sign a waver.

Everyone attending the tournament must sign a waver.

Biggest turn out for past tournaments was 35 boats.

Most people will not pay in advance so we will put a premium of the registration amount to encourage payment in advance. These additional funds will be split 50/50 between the Boy scouts & prize money.

Launch time is 7am

Need to be off lake by 2:30.

Gates to Squaw Creek open at 6am.

Meeting was closed at 8:53pm.
