If the top 6 anglers want to fish this tournament they will have to pay their own way as the club paid their entry fee for the North Texas Bass Club Challenge. Entry fee is +/- 50.00.

Non- profit tournament for the Boy Scouts.

The Boy Scouts have approved the participation in the tournament. The finance committee will meet to discuss entry fees and payout. Other tournaments have entry fees of about 85.00 to 150.00.

Right now we have:

10.00 for big bass

10.00 for Squaw Creek

50.00 for the Boy Scouts

Everyone must be off the lake by 3pm.

The committees will come up with a plan and have it approved by the committee leader.

Kid fish was scheduled for June 19<sup>th</sup>. Fritz is the coordinator for this event. Any age kids can fish. This event was moved to September.

Club Tournament Rules:

Lynn Suggested that everyone, new & existing club members alike read over the club rules & by-laws to get familiar with the rules and update themselves on any new or changed rules. David Blackstock mentioned that if the weigh in is at 3 pm then you should be in the line to weigh your fish by 3pm and not getting your boat out of the water. That should be done prior to the weigh in time. All rules will be in full force from not on. The tournament judge will need to be out of the water about 10 minutes before weigh in to get set up and prepare the equipment for the weigh in. Everyone will need to sign and turn in signature portion of the rules & By-laws at the next tournament or meeting. If you read over the rules and have any questions about them we can discuss them at the July meeting.
